

REMARKS

As mentioned above, in response to the Election of Species Requirement, Applicants hereby elect Species I (Claims 1-9), without traverse. Additionally, Applicants are amending the Specification to correct for some inconsistencies with regard to the drawing descriptions. Finally, Applicants have amended Claim 9 to correct for an improper multiple dependency, and Applicants have also amended Claim 13 to include a reference to Claim 12, which was inadvertently omitted.

Examination on the merits is respectfully requested.

Respectfully Submitted,

GREER, BURNS & CRAIN, LTD.
